

# Statement of Faith for Kids

We have been told that to Enter the Kingdom of Heaven that we have to become like little children. Boy are you guys the lucky ones. All you have to do while growing up is become adults who understand how to also remain as little Children the way G-d meant us to understand it.

So, here goes the simple answers I need you to consider.

1. G-d is real and His real Name using English letters which match exactly the Hebrew letters is "YHWH" of course in Hebrew which reads the opposite of English, the letters would be spelled "HWHY"
2. Each letter actually has a meaning: the Y means Hand, the H means behold, the W means Peg or Nail and the H means behold. So, the Name of G-d to be remembered FOREVER is the Prophecy of the Crucifixion of our Messiah Yashua.
3. Yashua in Hebrew means Salvation and Yashua is our Salvation.
4. Yashua died for us so we could be reconciled to the Father. Without His act of Love, we would be in big trouble because we are not able to meet up to the Perfection of G-d on our own and we need all the help we can get, just like you kids need the help of your parents to learn how to grow up to be the best you can be.
5. Yashua stayed in the Grave for 3 Days and 3 nights just like He said He would do.]
6. He came back after 3 Days and hung out with His Disciples for 40 more days before being taken up to Heaven to sit at the right hand of the Father.
7. His blood was shed for the Remission of Our Sins and the Remission of the sins of everyone who believed on Him from the beginning of Human History.
8. When we believe on the Son of the Father G-d, we have accepted Yashua on Faith alone and for that we are offered Eternal Salvation.
9. Eternal Salvation is a Gift we are given for Free when we believe in correctness.
10. Now we are going to define correctness.
11. Loving G-d and His Son with all our Heart, Mind and Spirit. If you are not there yet, you are given time to start practicing and growing in your Faith and Knowledge so that you will start to truly understand.

12. If you Love G-d, then you will keep His Commandments, just like you are supposed to listen to your parents who should only want the best for you.

13. This is the beginning of your journey to Eternal Salvation.

14. You must not take your Salvation for granted as it does require work on your part. Is the work hard? Not Really, but many people will persecute you for Loving God and Yashua with all you have. That just comes with the territory.

15. But, you need to know that if you are sincere in your belief and walk, you are blessed beyond anything earthly you can imagine.

So, if you want to know G-d, know His Son Yashua and walk in correctness, then all you have to do is decide to do so. G-d already knows your heart and your thoughts. He just wants you to make a conscious decision to accept Him on His terms and not on the terms of others that do not think He is worth the effort or who want to make man made rules to over ride His rules.

As followers of Messiah Yashua, we walk in correctness which is called Torah. Torah means Instructions and that is how we are to live. By the instructions of G-d.

If you believe on what you have read and know that you will be learning more and more all the time on how to live better and better as you grow up, then G-d will meet you where you are at right now. You do not have to put on your best clothes and wash your face and shine your shoes. You just have to want to be One of His Children.

We believe that Kids are the Luckiest people on earth because those that G-d calls to be part of the family and who accept His invitation, find it so much easier to be Kingdom Kids then adults do.

All my heart felt blessing and joy as you start your walk with YHWH and Yashua.
