

What About Kids

There are several things we always need to consider and prepare for.

1. Making sure that we have educational and also fun activities for Kids.
2. Looking at outreach to needy children of all kinds in the community
3. Helping Single Mothers cope with working and children at the same time.
4. Helping Single Fathers in the same manner.
5. Kids are fun and they help us remember what it is like to be like a child.
6. As we grow, let us always keep the Kids in our thoughts and prayers.
